Dissertation: Barriers of Online Skill Builders on Mathematics Achievement from the Perspectives of Rural and Urban K-12 District Administrators

This study explores the barriers K-12 district administrators face in implementing online skill-building tools to improve mathematics achievement, comparing insights from both rural and urban school settings.

Experience

City of Canton, Mississippi 2025

Candidate for Mayor

- Launched a community-focused mayoral campaign, missing victory by just 43 votes in a highly competitive election.
- Built a coalition of civic leaders, faith-based organizations, small businesses, and youth advocates.
- Led fundraising efforts including a grassroots "\$5 for Canton's Future" initiative, securing broad public support.
- Managed strategic planning, policy development, communications, and public events to promote key campaign issues: educational equity, economic development, and civic engagement.
- Received endorsements from high-profile leaders including Rep. Bobby Rush, Mayor Truly, and community organizations.
- Maintained community visibility through public speaking, volunteerism, and advocacy initiatives.

Millsaps College, Jackson, MS 2023

Student Success Coach

- Foster persistence and completion by maintaining a caseload of first time in college and transfer of students.
- Develop and implement procedures for intake, monitoring, and assessment of student progress in accordance with college guidelines.
- Conduct one-on-one coaching meetings with students to develop and integrate habits of personal and academic success through strategies focusing on developing skills in goal setting, creating academic plans, preparing for tests, utilizing individual learning styles, time/stress management, financial literacy, and career exploration.
- Track the advancement of provided services through intentional assessment and evaluation.

Canton Public Schools, Nichols Middle School, Canton, MS 2021-2023

Instructional Coach| Attendance Clerk| Test Coordinator| Mathematics Department Chair

- Work with teachers to improve the quality of their lessons and the quality of students' education.
- Maintain the students' attendance records.
- Plan, manage, and execute the test process, within planning and budgeting at the right quality, for at most one test level.
